Dear Partner

I am delighted to announce the opening of Aspect's brand-new school in September 2003 in Santa Barbara, California, USA.

SANTA BARBARA - HOME TO HOLLYWOOD CELEBRITIES AND ASPECT'S NEWEST SCHOOL

Santa Barbara is a first-class destination for international students. It's elegant, safe, and just one and a half hours from Los Angeles, with a fantastic climate and excellent transport links. It's also home to a number of Hollywood celebrities! The new Aspect school is located on the oceanside campus of Santa Barbara City College (SBCC), a leading accredited California institution, and provides students with an opportunity to study in an international language school whilst getting a real taste of campus life.

YEAR-ROUND LANGUAGE COURSES LEADING TO US DEGREE PROGRAMMES

Aspect Santa Barbara offers many study options, from TOEFL exam preparation to university foundation courses, leading onto US degree programmes. And thanks to our partnership with SBCC, students can progress from their English programmes onto over 100 certificate and degree programmes, finishing off their studies at a number of world-acclaimed California universities including the University of California at Santa Barbara (UCSB) and the University of California at Los Angeles (UCLA).

SUPERB STUDENT LIFESTYLE

Santa Barbara offers students a wonderful quality of life. Spectacular beaches, affordable restaurants and shops, cinemas and museums will keep them busy throughout their stay. And, with our varied activities programme, running all year round, we will ensure that students experience the very best that Santa Barbara and California have to offer.

We hope that you will find the information in this leaflet useful. However, if you have any questions at all, please do not hesitate to contact us at our Santa Barbara-based USA bookings office at +1 805 966 1001 or santabarbara@aspectworld.com. We will be glad to help you with any additional details you may need.

Best regards

Johan Oljemark
Director of Sales
