

# Your Journey to University

ENGLISH LANGUAGE STUDIES WITH  
CONDITIONAL ELIGIBILITY INTO  
NUMEROUS UNIVERSITY PARTNERS

Study Group Australia Pty Limited. Trading as Embassy English. National CRICOS Provider Code: 01682E.  
ACN 070 919 327 ABN 88 070 919 327

# Your Journey to Academic and Career Success

A seamless pathway program offering pre-session English with conditional eligibility to one of our university partners located close by.

# Your Academic Journey

We believe that:

- studying in the U.S.A. **brings English to life**
- a U.S. university experience is **the best in the world**
- a U.S. degree will open your world to **amazing new experiences, opportunities and connections**

## English study you can trust

Embassy English is part of Study Group, one of the largest and most respected organizations in the world for international student training.

This pathway program allows students to not only gain a conditional letter of eligibility to their university of choice, but complete their English and university studies without ever having to move.

Benefits of this Pathway Option:

Most key partners located within the same city

Personalized support from both Embassy and university staff while you are studying

our Embassy onTrack tool will help you track your progress to ensure you transfer to your university of choice in no time

No Need to take the TOEFL or IELTS. An Embassy course certificate is all you need!

1. Choose your university and apply for conditional eligibility

2. Enrol and begin studies at one of our Embassy English Pathway Hubs

3. Achieve the English level needed for entrance into your chosen university

4. Transfer to your university

# Choose Your University and Pathway Hub

## Pathway Courses

## Lesley University

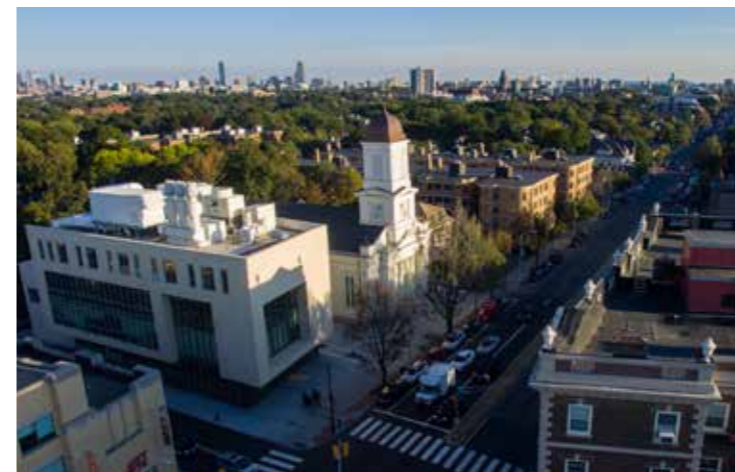

Lesley University empowers students to become dynamic, thoughtful leaders in business, education, mental health counseling, and the arts. Located in the heart of Cambridge, Massachusetts, home to the world's best-known universities, Lesley combines an intensely creative environment with the practical experience students need to succeed in their careers. Each year, 2,500 undergraduate and 5,300 graduate students pursue their degrees at Lesley. Along with our 84,000 alumni, they're discovering the power of creativity to overcome obstacles, foster connections, and reveal fresh answers to the world's problems

### Undergraduate Programs

Animation and Motion Media	Global Studies
Applied Therapies	Graphic Design
Art History	Interactive Design
Biology	Math
Business Management	Photography
Digital Filmmaking	Political Science
Education	Psychology
Environmental Science	Sociology and Social Change
Fine Arts	

### Graduate Programs

Master of Fine Arts in Photography

**"I chose Lesley because of its inviting campus community, small classes, and personalized attention to facilitate student learning and growth. Lesley's individualized approach was especially important to me as a non-native English speaker."**

Diba,  
Afghanistan

### Key Facts

- Urban campus directly next to Harvard
- Total Enrollment = 7,800 students
- Graduate and Undergraduate programs available
- Conditional Letter of Eligibility: 1-2 weeks (undergraduate); 3 weeks (graduate)
- 8-15K scholarships available for international students

### Ranking

- Nationally Ranked #197

### Undergraduate Price Range (estimate and not including scholarships)

- Tuition: \$26,000
- Room/Board: \$15,300 (undergraduate-only)

# Wentworth Institute of Technology

Located in the heart of Boston's South End neighbourhood, Wentworth's interdisciplinary curriculum combines rigorous studies with practical learning experiences. This results in excellent preparation for a successful career.

## Undergraduate Programs

Applied Mathematics	Construction Management
Architecture	Electrical Engineering
Biomedical Engineering	Electromechanical Engineering
Business Management	Engineering - Interdisciplinary
Civil Engineering	Facility Planning and Management
Computer Engineering	Industrial Design
Computer Information Systems	Interior Design
Computer Networking	Mechanical Engineering
Computer Science	

## Graduate Programs

Applied Computer Science	Construction Management
Architecture	Facility Management
Civil Engineering	Technology Management

This list of programs is only a sample, a full list of academic programs can be found on the university website.

# Western New England University

Western New England University is a private institution and is located in the beautiful western Massachusetts town of Springfield. - Elementary Education	
Master of Fine Arts in Creative Writing	

This list of programs is only a sample, a full list of academic programs can be found on the university website.

**"My experience at Western New England has been great. When I came here as a freshman I was shy and was afraid of many things, Western New England changed my life, I became confident, outgoing and I just feel happy. I made many life-long friends and I couldn't be more grateful. The best thing about Western New England University is academics. All professors that I have had so far were amazing and I've learnt a lot from them! Also, even though I am an international students I never felt left out or that I don't belong, the atmosphere on campus is very friendly and welcoming and I can be myself!"**

Alexandra,  
Class of 2019, Russia

## Key Facts
