

Embassy Summer is a global leader in providing rewarding summer programmes for young learners and young adults.

At our centres across the UK and North America, we provide 15 hours of English language tuition per week, a full range of challenging and fun activities, both on- and off-site, as well as memorable excursions to iconic attractions.

Embassy Summer programmes are designed to ensure students make the most of the excellent facilities available at our centres and the local environment.

Our excursions explore both local places of interest as well as some of the most iconic and historic sights. We offer language classes for all levels of learner, from beginner to advanced.

We offer quality accommodation in both college and boarding school residences, as well as homestay options with local families.

We have an experienced airport transfer team and meet and greet service, responsible for organising safe transfers on arrival and departure days for both our groups and individuals.

Choose from our Embassy Essential or Embassy Extra programmes the number of nights and excursions you want included for the most cost-effective package.

Reasons to ♥ Embassy Summer

• Life skills

Build the skills needed for success in life through our wide range of activities which are designed to nurture curiosity and creativity, encourage teamwork and leadership, and boost confidence in a safe and supportive environment.

• Language learning

Participate in interactive and enjoyable English lessons with qualified teachers designed to improve your English with particular focus on listening and speaking skills.

• Bringing English to life

Put your English into practice on our trips and excursions by completing the challenges your teacher sets you such as photo or video projects, fact-finding missions and quizzes to make the trips fun and memorable.

• Cultural visits

Take advantage of our excursions to broaden your horizons, explore iconic cities and destinations and discover different traditions and cultures.

Student care and welfare

We place the highest priority on the welfare and safety of our students and provide a high standard of care and supervision. Each of our centres has a nominated person responsible for welfare and we provide guardians for our individual students to ensure they are happy and well-cared for. We have well established links with local doctors, dentists and hospitals for any medical issues that may arise.

We provide dedicated support for our students throughout their stay, including a full induction and orientation on arrival, where all students are issued with identity cards which contain our emergency telephone details. We operate a 24 hour emergency telephone service across all of our centres.
